

Virtual Edition
Slice of Life Challenge

When: March

Who: All students grades K-5 interested in a 30 day writing challenge

Where: Digital Location of Choice

Each year Two Writing Teachers hosts a March Slice of Life Challenge (more here: <https://twowritingteachers.wordpress.com/challenges/>). Writers are challenged to write every day for the month of March. Many students have expressed interest in joining the challenge and writing each day in the month of March. (Our writing club is full, but no worries, students can still join the challenge --- virtually.)

Participants will be writing in a digital space to join the conversation with other students participating in the challenge. Digital spaces can include a class blog, personal blog (with parent permission), or an event Kidblog site hosted by Mrs. Mere (just let me know if you need some space).

If you'd like to take the challenge to write every day in March and be linked to our "Darby Creek Writes" page, please return this form to Mrs. Mere by Friday, February 27th.
